

I Do

Written By: Karissa Hoffart

I've been looking my entire life
For a guy like you
to get down on one knee
Askin' can I marry you

I've been waiting for this day so long
Baby, this is our song
Today our hearts become one
The best is yet to come

I do
I do
Wanna spend my life with you
I do
I do
Love you
I will
I will
Choose you always
I do take you today

No matter how many years fly by
I'll be by your side
I'll Love and cherish you
Till the day I die

Those three little words stand so true
My heart beats for you
Today our hearts become one
Our love has just began

I do
I do
Wanna spend my life with you
I do
I do
Love you
I will
I will
Choose you always
I do take you today

From this day forward, I promise you
No one can love you the way that I do

I do
I do
Wanna spend my life with you
I do
I do
Love you
I will
I will
Choose you always
I do take you today
I do, I do, I do
I do, take you, I do
