

Christmas Cowboy (Duet)
Written By: Karissa Hoffart & Justin LaBrash

Another year goes by
I'm writing up my list
Mama wants to know
What's the perfect gift
This year for Christmas I want
a cowboy hat with the man underneath

I wanna Christmas Cowboy
Who never rides away
He'll keep me warm
as we watch the snow storm
On Christmas Day
Hey, Christmas cowboy, why don't you stay

It's getting cold tonight
and there's something I need
Waiting for Santa to come
I will always believe
This Christmas mornin' I hope to see
a cowgirl under my tree

I wanna Christmas Cowgirl
Who never rides away
She'll keep me warm
as we watch the snow storm
On Christmas Day
Hey, Christmas cowgirl, why don't you stay

So why don't you stay
Ahh, I've been thinking about it
You know it's cold outside
Oh, I could think of some ways to keep warm
This Christmas mornin' I hope to see
a cowgirl under my tree

I wanna Christmas Cowboy
Who never rides away
He'll keep me warm
as we watch the snow storm
On Christmas Day
Hey, Christmas cowboy, why don't you stay

Why don't you stay
Hey Christmas cowgirl
Why don't you stay
